# Polymorphism

a girl  
she can be many things  
mother  
writer  
student

a same person can have different roles

# Inheritance

Puppies

they inherit the qualities of parents

same colour

same breed

same face features

derived class inherits the base class

# Encapsulation

a company

it can have several departments

Production Department

HR Department

Marketing Department

all these departments make up a company

# Abstraction

a mobile phone  
you can do many things like  
make a call  
take pictures  
play games

it doesnt show you the inside process of  
how its doing the things  
The implementation parts are hidden
